Information for Skill Test

The skill test is conducted to broadly evaluate the competency of a candidate in the following aspects.

1. Subject knowledge and teaching ability
2. Communication Skills
3. Confidence and Poise
4. The candidate shall be evaluated on various aspects such as (among others)
 - a) Accuracy
 - b) Logical Thinking
 - c) Use of examples/illustrations
 - d) Time Management
 - e) Attitude
 - f) Creativity

The above Skill Test of the candidates shall be done in two stages as given below.

Stage 1: Group Discussion

(For Posts- TGT (Hindi/Sanskrit); TGT (Maths/Physics); TGT (Chemistry/Biology); Art Education Teacher; TGT (Physical & Health Education) (Female); Librarian; Primary Teacher; Primary Teacher (Music) only)

Group Discussion will be held for the candidates in a group of about 12 to 15 candidates in each group. It will be held in the first half of the day. Successful candidates in the Group Discussion have to attend the Skill Test in the Subject concerned in the second half of the day. In other words, candidates who get a 'GO' in Stage 1 will qualify to appear for stage '2' of skill test.
