SECTION-I

PREFACE & PROJECT PROFILE

1. PREFACE

1.1 Atomic Energy Education Society (AEES) was setup to provide quality education to the children of the employees of the Department of Atomic Energy and its constituent units. At present there are 31 AEES schools all over the country.

1.2 Atomic Energy Education Society has taken a number of initiatives in the past few years to provide IT infrastructure and IT education in AEES Schools. Computer Education as an awareness Course has been introduced in all AEES.

1.3 AEES has proposed for the setting up of 'Smart Classrooms' from class I to XII in 31 AEES schools in the first phase. The most important objective of this initiative is to ensure, that no child is left behind in the access to learning, which is also the mandate of the Right to Education Act, 2009. Besides actual syllabus teaching, children can take advantage of upgraded technology in learning about socio-political events, leading personalities, culture, heritage, sports, environment and other areas related to child development.

1.4 Smart Classrooms will be set up in all Hindi and English Medium Sections from class I to XII in 31 AEES Schools as per **Annexure I** and the Educational digital content will be available both in Hindi and English.

1.5 Keeping in view the above broader objectives, AEES invites tender for Technical and Financial bid proposal from eligible Bidders for setting up of Smart Classrooms involving supply, installation, commissioning & functioning of Hardware, uploading/maintenance and upgrading of Educational Digital contents as per the CBSE and NCERT syllabus of classes I to XII as well as networking (Client Server Module) of the Smart Classrooms, including training of the teachers of all the courses in each schools as required in the document.

1.6 Bidders may note that Bids are to be submitted as per the instructions laid out in **SECTION III** of the tender document. The selection of successful bidder would be in two steps:

- Technical Bid
- Financial Bid

1.7 The final acceptance of the tender would vest with AEES, who reserves the right to accept or reject any tender, without assigning any reason whatsoever. There is no obligation on the part of AEES to communicate in

any way with rejected bidders. After acceptance of the tender by AEES, the bidder shall have no right to withdraw his tender or claim higher price.

1.8 The last date for submission of the bid is **22.06.2018 up to 3:00 PM**. The following address will be used for all communication in regard to this bid process:-
