

परमाणु ऊर्जा शिक्षण संस्था  
(भारत सरकार के परमाणु ऊर्जा विभाग का स्वायत्त निकाय)

**ATOMIC ENERGY EDUCATION SOCIETY**

(An autonomous body under Department of Atomic Energy, Govt. of India)

**CONDOLENCE MESSAGE**

Atomic Energy Education Society deeply mourns the sad demise of Shri. Kiran Doshi, former Chairman of Atomic Energy Education Society during the period July 1997 to February 2004. As the Chairman of this educational institute, he was dedicated to promoting excellence in education and during his tenure, he ensured that students received the best possible learning experience in our schools. He was particularly keen that our students gain proficiency in Maths and English. His unwavering commitment to the society's mission and values was an inspiration to all who knew him closely. He worked tirelessly to create an environment that nurtured intellectual curiosity, fostered academic excellence and encouraged social responsibility. His passion for education was evident in everything he did, and his legacy will live on in the large number of students, faculty members and staff, who were touched by his kindness, wisdom and mentoring.

Shri. Doshi was a fine example of simple living and high thinking. He was a prolific writer and was known for his philanthropic work. He introduced the Talent Nurture Program in AEES, which was designed to give free education to bright tribal students.

AEES will always remain indebted to him for setting high standards, not only for the students but also for the faculty and staff.

During this difficult time, our thoughts and condolences are with the bereaving family. May the departed soul rest in eternal peace!
